OUTLOOK: Is this summer?!

Serial killer's holiday trip to 2 more victims

ONE of the world's most prolific serial killers has copped to two more murders, bringing his death tally to a staggering 83.

Mikhail Popkov, 56 (*below*), told detectives he led them to the bodies as he "wanted a holiday" from prison.

Cops believe that the monster – also known as The Werewolf – has a much higher death count, and that the recent deaths occurred between 1995 and 1998.

With the exception of one male cop, all of Popkov's victims were sex workers or drunk women out on the town – he "sentenced them to death" when they agreed to have a drink with him, raping then murdering them with an array of weapons, including knives, axes, baseball bats and screwdrivers.

Popkov's reign of terror began in 1992 in the ashes of the Soviet Union and continued until 2010 when he was finally captured. He was convicted of 81 homicides and will never be released.

Now cops are waiting for more of his murder confessions and say the true tally will likely hit 100 and may be "closer to 200".

Popkov was once a police officer who started killing after believing his wife was having sexual affairs behind his back.

TABOO SEX GOSSIP ENGULFS PRESIDENT

PLEASE DON'T TALK: Experts say Trump (*left*) begged Maxwell (*right*) not to spill the beans

By BRAD CHADWICK
news@sundaysport.co.uk

IT was an extraordinary thing for a world leader to say about an accused sex trafficker.

When asked about Ghislaine Maxwell, US President Donald Trump said: "I wish her well."

That chance comment has led to many on Capitol Hill speculating the Commander in Chief may have shagged the British-French-American socialite… UP THE ARSE!

One White House source said: "Ghislaine Maxwell is known to be attracted to rich, powerful men.

"There's probably all kinds of Freudian shit going on there, given who her father was, too."

Ghislaine's father was bent publishing lardbucket Robert Maxwell – real name Ján Ludvík Hyman Binyamin Hoch.

Humped

Our source added: "Trump and Ghislaine have known each other for years and given her taste in men and his liking for birds, it's probable he humped her.

"And the word is that if he humped her, he humped her in the ass."

Trump's well-wishes to his old pal came last week during a press briefing, his first since April.

Asked by a reporter if he thought Ghislaine would turn in other powerful men potentially involved with Jeffrey Epstein, the President said he hasn't been following the case closely.

"I just wish her well," he said. "I've met her numerous times over the years, especially since I lived in Palm Beach and I guess they lived in Palm Beach. But I wish her well, whatever it is."

However, former White House communications chief Anthony Scaramucci said Trump was secretly begging Ghislaine not to reveal what she knows about him.

In a tweet last week, Mr Scaramucci wrote: "She has the goods on him. He is signalling 'please don't talk'."

Ghislaine is charged with enticement of minors, sex trafficking of children, and perjury over her association with dead financier Jeffrey Epstein.

Fuelish mask advice is 'just a joke'

HORRIFIED health officials swiftly corrected Philippines President Rodrigo Duterte after he wrongly advised residents to disinfect face masks with PETROL.

In a TV address Duterte (*left*) said: "At the end of the day, hang the mask and drench it in gasoline or diesel, and that son of a bitch COVID won't stand a chance."

The country's Department of Health Undersecretary Maria Rosario Vergeire later suggested Duterte was just joking.

Officials also warned that people disinfecting face masks with petrol would probably get their faces burned off.

Dad told sex in park was 'pretty stupid' thing to do

A RANDY dad who was caught having sex with a woman in a park was told it was a "pretty stupid" thing to do.

Adrian King, 34, was spotted engaging in sexual intercourse in the Racecourse Park, in Chaddesden, Derby, in May.

Southern Derbyshire Magistrates' Court heard how he tried to go to a "secluded location" to carry out the act – but was seen and reported to cops.

The father-of-three pleaded guilty to outraging public decency.

King was in the park with an unnamed woman and "one thing led to another", according to his solicitor.

Magistrates handed King a conditional discharge and ordered him to pay £85 costs and a £22 victim surcharge.

The chair of the bench said: "I don't think I need to tell you this was a pretty stupid thing to do and hopefully you won't do it again.

"We are going to deal with this with a conditional discharge.

"Get this out the way, get on with your life and keep out of the parks."

Councillor's nude protest

A COUNCIL boss has invited fellow councillors to protest NAKED in Westminster in a bid to get housing numbers in his borough reduced.

John Halsall (*above*), leader of Wokingham Council in Berks, reckons it's the only way to get rampant housebuilding stopped.

He said: "Yesterday I was at the Local Government Association pleading my case. I see each of our MPs once a week to plead my case.

"Currently it seems impossible to establish a dialogue with the Ministry of Housing, Communities and Local Government.

"So I may have to do something more vivid to gain their attention – maybe parading naked with a banner in Whitehall. I trust the opposition leaders and members will join me."

QUEUE TIP

POLICE have launched an investigation after a man was spotted standing fully NAKED at a bus stop alongside the A75 outside Collin in Dumfries.

ROYAL STUNT: Spoof plate of Andrew & Big Hank

Doesn't Prince Andy have enough on his plate?

NAIL BITING TIME: Andrew still has nonce claims worries

POOR Prince Andrew...

Forced to hide in the shadows at the wedding of daughter Princess Beatrice and facing accusations of transatlantic noncery thanks to his friendship with dead perv Jeffrey Epstein.

Safe to say that 2020 has not been the best year for the Queen's second son.

But now he faces new woe after jokers came up with a commemorative "prison wedding" plate marking the fictitious union between Andy and "Big Hank".

Danger

In prison, submissive lags can become "prison wives" to more dominant men to prevent being passed around the wing like a spunky-arsed box of chocolates.

For the record, there is NO SUGGESTION that Prince Andrew is in imminent danger of being jailed and he firmly denies all allegations against him.

By BARNEY SAMUELS
news@sundaysport.co.uk

It is not known who came up with the spoof plate, though Russians are suspected.

But the royal father-of-two is under continued scrutiny over his relations with pals Ghislaine Maxwell and Jeffrey Epstein.

Last week, an ex-Epstein employee claimed she walked in on the paedo billionaire and Maxwell watching a video of Prince Andrew with a topless woman.

Tiffany Doe, 48 – not her real name – said: "I couldn't see all of Andrew, so I don't know if he was clothed or not.

"It looked like it was filmed in a bedroom. I don't think Andrew knew he was being filmed. Then Ghislaine said, 'Oh that's Randy Andy for you'.

"Jeffrey laughed at that and I of course immediately recognised who it was on the tape."

Prince Andrew is currently being called to help the FBI with their investigation of Ghislaine Maxwell.

The 60-year-old "vehemently" denies any wrongdoing.

Gwynie's oral sex lessons as a teen

HOLLYWOOD beauty Gwyneth Paltrow has revealed how fellow actor Rob Lowe's wife taught her how to SUCK COCK when she was a teen.

The 47-year-old (*below*) joined her longtime pal on his *Literally! With Rob Lowe* podcast where she confessed makeup artist Sheryl Berkoff used to share blowjob secrets with her as a schoolgirl.

Paltrow said: "I met Sheryl when I was 15 or 16 – she was doing my mum's makeup on this TV movie, and I went down to Florida to visit.

"I was immediately obsessed with her.

"She was dating Keanu Reeves – who was my celebrity crush – and she was so cool.

"She knew that I was sneaking cigarettes, and she would come and smoke with me behind the trailer.

"And she taught me how to give a blowjob.

"She was so awesome to me, and I was a high school kid.

"It was less about remembering the technique – although I'm sure I implemented it the first chance I got."

Hillary drama to air lesbo scenes!

HILLARY Clinton's life story is being turned into a SEX-PACKED blockbuster drama by the woman behind steamy series *The Affair*.

Hulu is developing *Rodham*, a provocative take on the former First Lady.

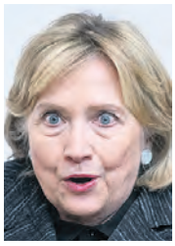
The programme is the brainchild of Sarah Treem – who devised HBO's X-rated *The Affair*, starring Brits Dominic West and Ruth Wilson.

***Rodham*, based on the book by Curtis Sittenfeld, imagines an alternative history where Hillary Rodham never marries Bill Clinton and asks what would have happened to her life and the US, if she had made a different choice.**

A source said: "Hillary Clinton is one of the most controversial and divisive characters in recent American history.

"And if Sarah Treem is involved, this series is going to be wall-to-wall FILTH. As it's a drama, there can be a lot of creative licence taken.

"I'd imagine there will be lots of lesbo stuff, too – for the dads."



Kanye mate: Rap star is not crazy

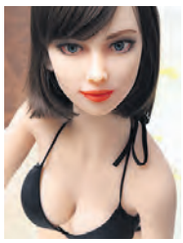
RECORD boss Damon Dash has denied his pal Kanye West is "crazy" – and he doesn't "give a f**k" if Kim Kardashian and her family disagree.

Dash said: "People think he lost his mind just because he cried. The way he lost his mind and jumped on a jet and then jumped off the jet to come back to his 40,000-acre ranch?

"Yeah, I'd like to lose my mind like that."

He added: "There's definitely people around him that love him and he's going to be all right. We are praying, we are working. People think like we are in an insane asylum but we got an album coming out."

Rap star West raised fears for his health last weekend at a campaign rally for his presidential bid in South Carolina, where he appeared on stage wearing a bulletproof vest and wept as he claimed that he and reality TV star wife Kim nearly aborted her first pregnancy.



Sex doll boom as export from China doubles

THEY may have made the world a wasteland thanks to their eating habits but Chinese sex toy makers are making a killing from the death plague.

Sex toy manufacturers in China have seen a surge in orders since the start of the coronavirus – one of a few bright spots in an economy battered by the pandemic.

The Far East nation's sex toy industry has been able to enjoy a more rapid recovery since the enforced closures and lockdowns, with one Shandong-based firm reporting a 30% increase in exports and domestic sales.

Sales manager Violet Du said Libo Technology had increased production line staff by 25% since they returned to work at the end of February.

She added: "We are producing around the clock, and our workers are working in two shifts to meet the demand."

China's sex toy exports have increased by 50% so far this year, with exports of sex dolls doubling.

BUS TUG MAN BEATEN UP – FOR USING HIS MOBILE PHONE!

ATTACKED: Terry Hughes was having a quiet wank on the bus

NEW RULES: A bus yesterday

Dirty Terry battered by vigilante after breaking Welsh public transport rules

A MAN enjoying a quiet wank on a bus outraged passengers when he answered his mobile phone and began CHATTING!

By BARNEY SAMUELS
news@sundaysport.co.uk

Terry Hughes was on the bus returning to his home in Swansea when he was taken by the urge to masturbate in public.

He explained: "The bus was fairly quiet, so I thought, 'Why not?'"

But Terry's fun was interrupted when his phone rang.

He added: "It was my probation officer, so I felt I had to answer it. But when I did, the driver calls out, 'Ho, boy! You can't use a phone on here!'"

Terry had fallen foul of new anti-COVID rules in Wales that prohibit speaking into mobiles on public transport.

He said: "I shouted to the driver, 'That's OK, look you – I'll only be a minute'. But then the driver shouts back, 'And no shouting on the bus!'"

Shouting and singing are also banned on Welsh buses, as part of measures to slow the virus.

Terry continued: "So I says to the driver, 'But YOU'RE shouting!' That's when this big man on the seat across says, 'Look you, boy, don't be a covidiot or I'll knock you out!'

"I says to him, 'I was only on the phone to my probation officer' and I think that's when he recognises me from that business in the park a couple of years back.

"It was in the local paper, see.

"And when I gets off the bus he thumps me, knocks me out cold. I couldn't believe it – knocked out for using my mobile on the bus."

A spokesman for the bus company – which cannot be named for legal reasons – said: "The rules are clear – no speaking on mobiles on the bus."

Earlier this month the Welsh Government banned public transport users from talking on mobile phones, reading newspapers or consuming food and drink while on a bus or train.

The directive also orders passengers not to run for the bus, or run in major transport hubs like railway stations.

Infection

And it says people should travel in "relative silence" with no "loud activities" like singing on board.

It's thought the singing ban was imposed to help combat any infection hazard from Welsh male voice choirs, who often travel by bus.

The Welsh Government said "there is clear evidence that coronavirus can spread through varied aerosol transmission – when people talk loudly, eat or breathe heavily".

Paedo in hammer threat walks free

A PERV who wielded a hammer at a vigilante group which confronted him at his door has avoided a jail term.

Andrew Ewing had earlier been chatting online to a person he thought was a 14-year-old girl.

Ewing, 42, sent texts and made 10 explicit calls over six months between December 2017 and May 2018.

It emerged he was chatting to a "decoy" from the paedophile hunter gang, and the group went to his home in the Gorbals, Glasgow, as he stormed out holding the tool.

Ewing pleaded guilty to illegally attempting to communicate with a child and possession of a hammer in a public place, and was ordered to do 150 hours of unpaid work and put under supervision for two years.

THE VOICE OF YOUR BRITAIN

Don't drag animals in to human race battle

WE have no doubt that to some boffin beavering away at the Government's defence research lab, it sounded like a whizzer idea...

Turn badgers into soldiers.

And no doubt it was a wheeze that really tickled the fancy of the Whitehall bean-counters, ever keen to trim the defence budget.

But what would be the real price of sending badgers into battle?

This newspaper contends we would pay with our national SOUL!

For generations, the badger has been beloved of all.

Wise and kindly, immortalised in 'The Wind in the Willows' and countless other innocent tales.

Do we really want the badger – the very icon of Britain's fauna – sent into the very dirty business of battle?

Surely the only sane answer to that question is a resounding 'NO!'

If we go down this road, where shall it all lead?

Squirrels driving tanks?

Hedgehogs storming embassies?

Dear little chaffinches with machine guns in their beaks?

Such a ghastly future can only fill us with foreboding.

War is humanity's folly – we drag the animal kingdom into that folly at our immortal peril.

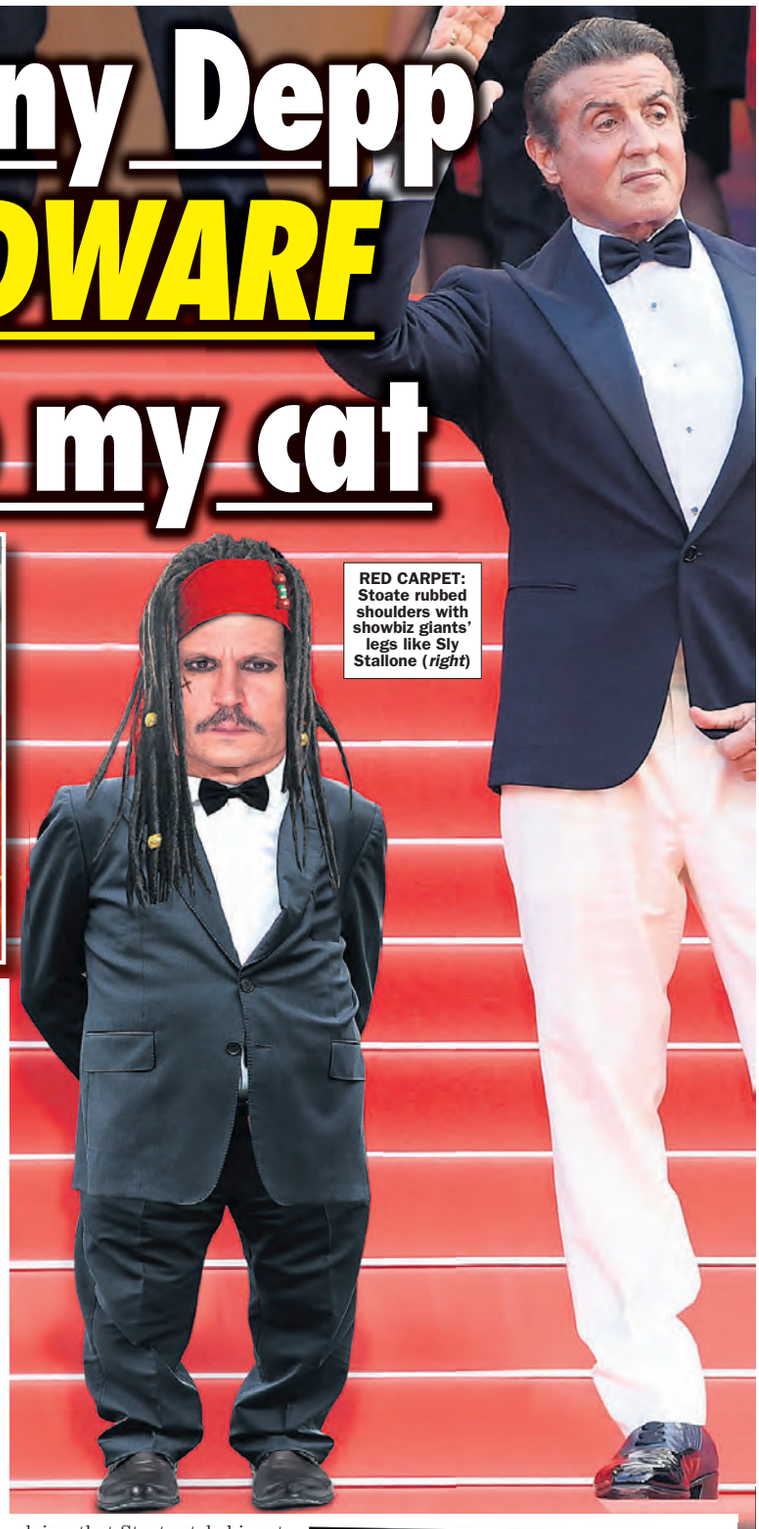
Johnny Depp SEX DWARF stole my cat

FELINE ALONE: Pete with missing Hellebore



RED CARPET: Stoate rubbed shoulders with showbiz giants' legs like Sly Stallone (*right*)

SUNDAY SPORT EXCLUSIVE

By SIMON DEAN
simon@sundaysport.co.uk

HOLLYWOOD star Johnny Depp has been in the spotlight over the past three weeks as he fights his libel battle at the High Court in London.

Depp, 57, is suing the *Sun* after it referred to him as a "wife beater" and his former missus is the newspaper's star witness.

The celeb couple have traded accusations about the conduct of their lively, short-lived marriage, with claims of bed-shitting, bottle-hurling, drug taking and lesbian flirting being tossed around the courtroom.

But in sleepy Biddulph, Staffs, a smaller-scale Depp drama is unfolding involving the *Pirates of the Caribbean* star's DWARF doppelganger.

Fortune

Matty Stoate made a small fortune in the Noughties as a third-scale version of former heartthrob Depp.

And now he is accused of stealing a CAT!

Matty mixed with the great and the good and was even photographed with Sly Stallone on a Hollywood red carpet.

But the high life did big damage to the little fella and by 2012 he had moved to the Staffordshire Moorlands.

Neighbours say he "kept himself to himself" but it appears that lockdown reawakened his demons and he was spotted in Hanley buying "monkey dust" – the drug of choice for the discerning Potteries junkie.

To feed his sickening substance abuse, the fallen celeb has now had to resort to selling dwarf sex to Biddulph's kinky set.

Now neighbour Pete Green claims that Stoate stole his cat, Hellebore, during a spaced-out session for "God knows what".

Pete told *Sunday Sport*: "My mother always said to me, 'Never trust a dwarf or a cripple' and I always scolded her for being so disabled-ist.

"But after that pint-sized Johnny Depp double stole my cat, I can see the wisdom in her words.

"I've tried contacting the authorities, but you try telling someone that a midget Johnny Depp double has stolen your cat. They thought I'D been on drugs!

Hope

"Help me *Sunday Sport*, you're my only hope!"

Matty Stoate refused to open the door at his specially-adapted bungalow and yelled through the letterbox: "F**k off, or I'll set my alligator on you."

'Cannibal' laid to rest after years in museum

A CHINESE immigrant whose dead body has been on display for SIX DECADES in a museum was finally laid to rest last week.

The body of "cannibal" Si Quey Sae-Ung, one of Thailand's most infamous serial killers and bogeyman to generations of kiddies, was cremated on Thursday at an undisclosed location.

He was arrested in 1958 on suspicion of killing seven children.

But following a recent surge of evidence which unearthed flaws in the case against Si Quey – leading many to conclude he was more likely a victim of hysteria than cannibal fiend – the court of public opinion now believes he was not guilty of the murders.

Though no formal legal process has exonerated him, evidence he was a scapegoat was persuasive enough to convince the Siriraj Medical Museum to remove the label "cannibal" from the glass case where his badly-preserved remains have been on display.

An official order signed by Montri Boonnak, the warden of the Bang Kwang Central Prison in Nonthaburi, gave the go-ahead for his funeral.

Jogger plops on posh doorstep

A JOGGER was caught on camera having a SHIT on a stranger's doorstep.

Neighbours in London's posh Fulham area have expressed their shock after pics surfaced in a local forum appealing to find the poo fiend seen curling one off at a resident's door.

Sophie Penn shared the pictures online in a bid to try and track down the mystery man, writing: "This chap defecated on the doorstep of my building on Kelvedon Road. This is absolutely disgusting behaviour."

The footage, filmed between 6pm and 7pm on Friday, was taken from outside Arundel Mansions, a block of housing apartments estimated to be worth up to £830k each in a leafy street near Parsons Green station.

One local, who asked not to be named, said: "Everyone is absolutely mortified by this.

"The woman who shared it was shocked – she's called him the 'doorstep dumper'.

"I think it's a one-off but it's pretty shocking. There was a bit of an issue round here during lockdown with people getting caught short after visiting Parsons Green, people seemed to be relieving themselves in nearby roads."

A spokesman from Scotland Yard said: "A man in his 40s reported a man had defecated on the front step of his communal building in Kelvedon Road. There have been no arrests."

Raw fish fan's liver removed after docs find worms inside

A MAN had half his liver removed after it became filled with WORMS due to his penchant for eating undercooked FISH.

The 55-year-old from Hangzhou in China – surnamed Xie – had experienced loss of appetite, fatigue and mild abdominal pain after visiting his family in Sichuan in February.

But he didn't seek medical treatment at the time as he thought his symptoms were caused by depression.

Xie finally caved in and went to hospital four months later, after suffering from chills and a high fever for three days.

Doctors were stunned to find the patient's liver housed a massive pus-filled abscess measuring 7.5ins long by 4.7ins deep.

Surgeons initially tried to drain the invasive bump, like a cyst, but decided to extract half the man's liver due to the size of the infection.

A later examination revealed that the hole harboured many "bulb shaped, thick-shelled" eggs belonging to the Chinese liver fluke, a parasite found in raw seafood.

Xie is now recovering at Hangzhou First People's Hospital.

Dieringer *(above)* was last seen near Manitou Springs, about 30 miles east of Teller County, just outside Colorado Springs.

He is believed to have dyed his hair a darker colour to conceal his identity.

Dieringer is wanted on two felony counts of aggravated cruelty to animals.

MODEL: Kat in a topless shoot

By SUZIE SHELDON
news@sundaysport.co.uk

KAT Lee is not only Britain's best-loved and most-famous hooker – she's also a magnet for CELEBRITIES!

And when the 34-year-old took a trip to the pub, she ran into *Corrie*'s Steve McDonald, aka actor Simon Gregson.

Kat told *Sunday Sport*: "I'm not often starstruck, because I meet lots of famous people, but I was lost for words when I saw Simon.

"I've fancied him for years and I think he's sexier the older he gets."

Fame

Kat – real name Zaynab Ellemore – shot to fame years ago when she and twin sister Noor appeared on *The Jeremy Kyle Show*.

While Noor has retreated from public life, Kat has become a telly regular and has a host of celebrity pals.

And she's got one more after meeting Simon at the Honey Bee pub in posh Wilmslow, Cheshire.

Kat added: "I had taken my chihuahua, Prince, out for a walk and we went into the beer garden for a drink.

"I don't know if Simon recognised me but he was more interested in making a fuss of Prince!

"He's obviously an animal lover and Prince warmed to him straight away – and Prince is a very good judge of character!"

Simon, 45, was happy to pose for a socially-distanced pic with Kat.

Kat also joked: "I should have offered him one of my amazing wanks – I would have given him a discount, or even a freebie as I fancy him.

"It really made my month, meeting Simon.

"What a great guy!"

PUB BOSSES BLAST 'INBRED F**KWITS'

Hydes Bar Norton

To the ingorant, inbred fuckwits who want to smash things up in our property. We'll not bother replacing them. As a small business it's not worth our while so fuck it. If you can't respect our property go fuck yourself.
Any snowflakes who are offended can fuck yourselves as well.
Don't bother complaining as I couldn't give a toss

FED-UP pub bosses have lashed out at "ignorant, inbred f**kwits" who smashed up the bogs at their boozer.

Staff at Hydes Bar in Norton near Stockton, Cleveland, discovered the damage after customers had destroyed pictures on the walls by punching them.

Barrels

But rather than grin and bear it owners gave the offenders both barrels online.

They raged: "To the ingorant, inbred f**kwits who want to smash things up in our property. We'll not bother replacing them. As a small business it's not worth our while so f**k it.

"If you can't respect our property go f**k yourself.

"Any snowflakes who are offended can f**k yourselves as well. Don't bother complaining as I couldn't give a toss."

Owner James Neilsen said the incident was the first time they'd had any problems since the pub opened in 2016.

He said: "They probably haven't been out for a long time, had a few too many and started smashing things up.

"We've got CCTV, but we haven't had a look yet."

Meanwhile customers have supported the pub's strongly-worded post, labelling the vandals "scum".

"Well said, no respect at all these days," one posted.

Wanted: A dog for me to shag!

A PERVERT was nicked after placing an online ad asking for a DOG to have SEX with.

Jacob Peltz, 27, of Garden City, Michigan, is accused of using a computer to commit a crime and crimes against nature.

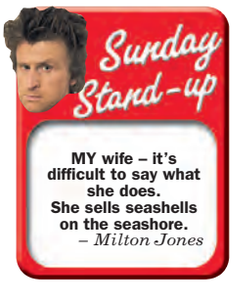
He was also charged with animal cruelty after an injured rabbit was found by cops who raided his house.

Peltz *(above)* was released from jail after posting bail and is scheduled to return to court next week.

He was caught when he posted his ad on the Craigslist personals section.

The personals section has since been removed from the online marketplace as it was being abused by sex traffickers and dog shaggers.

Peltz was nabbed after Elise Ramsey, an investigator with the Michigan Humane Society, answered the ad and began an undercover text exchange with the poster, exposing the sickening evidence.



Drink-driving mum was nude

A NAKED woman was arrested after a witness reported she was driving a vehicle erratically with a flat tyre.

Cops followed the careering vehicle before pulling it over.

An officer who spoke to the driver saw that her eyes were almost shut and that her clothing was on the front passenger floorboard.

She was also unaware that she had a flat tyre and "kept referring to her children in the back seat, but she was the only occupant of the vehicle".

The officer carried out a field sobriety test, but she was unable to follow instructions.

The woman stated she had taken sleeping pills and had drunk two beers.

The suspect, 24, was charged with driving while intoxicated and taken to Taylor County Jail in Abilene, Texas.

BOFFINS BREED KILLER BADGERS TO FIGHT ISIS

Woodland favourites will join Brit troops in battle

BADGERS are to be sent to the front line to help Brit troop fight ISIS and other enemies.

A secret programme at the government defence research HQ at Porton Down, Wilts, has made fearsome soldiers out of the reclusive woodland beasts.

The badgers are injected with a genetically-engineered serum which turns them from worm-munching burrow makers into cold-eyed killers.

A source said: "This work is bound to be controversial but it is all about saving British lives.

"Sending a human soldier into an ISIS hideout tunnel is fraught with risk but it is the badger's natural environment.

Operations

"These badgers are tough, fierce and impervious to fear. With the right training and the right drugs combination, they are ideal soldiers in a range of operations."

It's thought that a badger squad has already seen active duty alongside the SAS in an undisclosed Middle East location.

Early trials with badgers began after the last Gulf War after soldiers came up against the ferocious, desert-dwelling honey badger.

One defence expert, who cannot be named for security reasons, said: "Early tests involved honey badgers and while fearless and terrifying beasts, they can't be trained – they are far too savage and are more likely to inflict injury on their handlers rather than the enemy.

"But Brock the European badger, while just as brave and fierce, is easier to train and subject to military discipline – especially after being injected with a badger super-soldier serum that boffins have made."

However the badger plan is NOT thought to have been prompted by news that Boris Johnson's adviser Dominic Cummings want to take an axe to defence spending.

Cummings previously complained military procurement "has continued to squander billions of pounds" and who has written in his personal blog of the potential for drone warfare.

"But we're British and we make the best of it.

Starbucks barista spat in cops' drinks

A STARBUCKS employee spat in drinks ordered by cops and bragged about it.

Kevin Trejo, 21, has been charged with subjecting a law enforcement officer to contact with a bodily fluid, tampering with a cup of coffee knowing it was ordered by an officer and for creating a hazardous condition.

Trejo allegedly spat in the drinks at a Park Ridge, New Jersey, branch of the coffee shop and was "arrogant enough to be bragging about it," which led cops to question him.

The barista has since been fired from his job.

Bank does U-turn on brothels business

A BANK has backed down following protests after it blacklisted BROTHELS.

New Zealand's Kiwibank published its responsible business banking policy last week, outlining sectors it will refuse to work with.

Casinos, fossil fuels, military-grade weapons and predatory lenders are all included – and so were brothels and strip clubs.

After discussion with the New Zealand Prostitutes' Collective, the bank has now recategorised the adult entertainment industry as a "sensitive sector", a spokeswoman for the bank said.

And she said they will continue to work with NZPC to develop its policy.

Dame Catherine Healy of the New Zealand Prostitutes Collective said while she was pleased to see the bank change tack, "it could have been avoided".

NZPC met with Kiwibank a couple of weeks ago, she added, and cautioned them against introducing the policy as it was "not a helpful policy for sex workers".

Brothel owners must still prove they do not have a criminal record.

Seed ban to stop COVID

A MAYOR has banned locals eating SUNFLOWER SEEDS to try and halt the spread of COVID-19.

Deleitosa, a village of 700 inhabitants in the Extremadura province of Cáceres in western Spain, no longer allows snacks to be eaten in its handful of streets and squares.

Mayor Juan Pedro Domingo introduced the measure "due to the COVID-19 outbreaks that are taking place in nearby municipalities".

Spaniards have the rather messy habit of sucking these salty "pipas" whole, cracking them open with their teeth and spitting out the shells, regardless of where they may be.

It is not uncommon to see a pile of saliva-laced "cáscaras" on the middle of the pavement in Spain, where someone has been chewing away while passing the time.

CHAPEL OF UNREST

A GROUP of 14 people were shot and wounded in a barrage of gunfire at a FUNERAL in Chicago – which local police believe may be gang-related.

KATIE MARIE & EMMA SOAK UP SOME SUN

LOCKDOWN, what lockdown?!

Sunday Sport babes Emma Glover and Katie Marie are in the same social bubble – which means we can snap them skylarking topless in a swimming pool!

Our snappa caught up with the busty beauties at a private villa in Majorca hired using cash from *Sunday Sport*'s Christmas party fund.

Katie Marie, 25, from west London, who has 32E boobs, said: "We had a top time splashing around. Modelling is not all hard work, you know!"

And Emma, 26, from Brentwood, Essex, who has 30G boobs, laughed: "We had such naughty fun – my bikini bottoms came off at one point!"

Unfortunately, the batteries on our snappa's camera ran out and he was unable to capture that bit!

Babe strips on petrol station forecourt

By GRACE HOOPER
news@sundaysport.co.uk

REMEMBER when the freebie you got at petrol stations was a half-arsed whisky tumbler?

Video posted on Twitter shows an unnamed woman dancing topless in front of a huge crowd on a forecourt.

In the clip, the woman is wearing panties and NOTHING else.

Twitter user @KIILOLOO posted the video.

In the clip, the tail-shaker can be seen scooping up what appears to be cash off the floor of the Speedway petrol station in New York City.

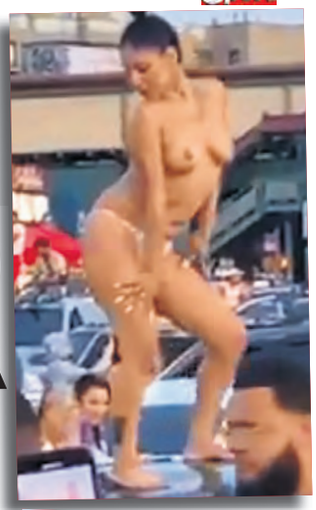
Hardest

It's believed the babe in the video is a dancer at a New York City strip joint – which are currently all closed due to the Covid-19 pandemic.

Strip clubs outside the city have been allowed to re-open as part of New York governor Andrew Cuomo's staggered restart of the state's economy.

But clubs within the city limits – which has been one of the hardest hit areas in the world – are still shuttered.

One witness said: "Man! I came here to get some gas to do some rioting downtown and this is what I seen!"



CAR-IKEY: Drivers got some gas and some ass!

'Kidnap' shirt staff sacked

CHILD welfare social workers were sacked after they posed wearing T-shirts bearing the slogan "PROFESSIONAL KIDNAPPER"!

The bright pink shirts that were apparently worn during work hours led to the firing of several staffers at the Arizona Department of Child Safety.

The back of the shirts also read: "Do you know where your children are?"

One former employee confirmed she was terminated for the shirt but refused to elaborate or identify herself.

The sackings hav left just one investigator in the agency's Prescott office.

£8m lottery winner on murder rap

A MAN who scooped £8million on the lottery in 2017 has been charged with murder.

Michael Todd Hill, 52, was arrested after the body of 23-year-old Keonna Graham was discovered in a hotel room.

Hill *(above)*, of Leland, North Carolina, had checked into the hotel alone.

A housekeeper discovered the lifeless body when she went to clean the room after Hill's scheduled checkout.

The dead woman worked as an officer at a prison in Burgaw, North Carolina, and previously worked with mentally disabled people in a local rehabilitation centre.

Hill won his fortune from an Ultimate Millions scratch-off ticket that he bought from a local petrol station.

After hitting it big, he returned to the store to give $2,000 to the woman who sold him the winning ticket.

Masked robber nicks 3ft dildo from sex shop

A SLACK-ARSED shoplifter man has been caught on camera walking into a sex store and nicking a THREE FOOT dildo.

The masked man's brazen robbery was caught on CCTV footage at Deja Vu Love Boutique in Las Vegas, Nevada.

The man can be seen entering the shop, in broad daylight, before approaching the eyewatering rubber cock and picking it up.

He casually puts it over his shoulder *(above)* and makes his way out of the store.

The giant member, which is called Moby, is worth almost £1,500.

An employee at the store said the man "just picked it up and walked out with it".

The thief got into his car and drove off with the item, which weighs a hefty 40lbs.

The store has shared the footage in the hopes of catching the thief and has even offered a £1,500 reward for information leading to Moby's return.

FORGET 'THE NEW NORMAL' FOLKS...

I'M THE NEW NORMAN

Ex-perv says lockdown cured him of sniffing bike seats

A NEW MAN: Norman no longer sniffs the seats of bicycles

IT'S one of the expressions of 2020 – the not-at-all annoying phrase "The New Normal".

The Chinese Death Plague has changed everything and has made the everyday out of the outlandish.

By SIMON DEAN
news@sundaysport.co.uk

But for one man, lockdown has brought about a huge personal change – and he wants to shout it from the rooftops.

Meet The New Norman!

For years, Norman Peterson was shunned by right-thinking folk in his home town of Leek, Staffs, due to his eccentric compulsions.

The retired swimming coach, 58, said: "I could not go past a row by bicycle seats without having a good old sniff.

Situation

"That has led to more than one difficult situation at Kidsgrove railway station, I can tell you.

"But I could not help myself."

All that changed when Norman was forced to shield at the height of the contagion, thanks to a medical compliant which cannot be mentioned in a family newspaper.

Norman explained: "I could not go out, even to the shops, and that meant I could not sniff bike seats either.

"It was like going cold turkey. It was awful."

But then Norman realised he was at last free of his bike sniffing obsession.

He said: "The virus may have sadly killed countless thousands and wrought economic devastation to the land but I'm no longer a bike seat sniffer.

"I'm a new man – the new Norman!"

However, not everyone is convinced.

One neighbour, who asked not to be named, said: "Cured? No way.

"I remember what happened when he applied to be a Scout leader. If that f**king weirdo comes near my kids, I'll do time."

Lily likes HARD COCKS rubbing her boobs!

HUGE, throbbing COCKS are clearly close to leftie warbler Lily Allen's heart!

The 35-year-old *It's Not Fair* singer wore a T-shirt bearing a design across the chest showing three gay gentleman sporting impressive erections.

The design is based on the drawings of Finnish erotic artist Tom of Finland, aka Touko Valio Laaksonen.

Obscene

One observer said: "She might sob for refugees and all that but it's no excuse to go around wearing what is, essentially, an obscene publication.

"Very impressive cocks, mind."

Gun nut films his shootings 'just for fun'

A GUNMAN who filmed himself shooting two innocent people later told cops he did it just "for fun".

Noah Green, 21 (*above*), was arrested on charges of murder with the use of a deadly weapon and attempted murder.

The murder charge relates to the July 13 death of homeless Brent Michael Lloyd, 48, who was shot in the head.

Green also wounded a 66-year-old when he shot him in the chest as the victim walked his dog two days later in Las Vegas.

Cops found videos of the two indiscriminate shootings on Green's mobile phone.

Homicide Lt. Ray Spencer said: "We have taken a very dangerous person off the streets.

"The videos are absolutely disturbing.

"He said he was out for a 'thrill killing' – doing it for fun."

CHOCOLATE HEAVEN: Now that's what you call lickin' good, Liz!

CREAM CRACKER! Tasty treat is asking for a good suck

By JAYNE FERGUSON
news@sundaysport.co.uk

FEW are the fellows who would turn down the chance to lick sweet delights from the taut torso of Liz Hurley.

And this week the uber-MILF, 56, who is never afraid to remind people what she looks like in tiny bikinis, reminded us all of something we'll probably never get the chance to miss.

The stunna posted a flashback shot from her time on the set of US comedy *The Royals*, wearing nothing but a sexy swimsuit and smothered in chocolate sauce.

It happened after her character, Queen Helena, fell into a chocolate fountain at a swanky party.

Saucy online commentators were quick to compare the pic with SPLOSHING – when people get their rocks off by being smothered in cream, oil, lube, or even just plain old-fashioned jizz juice.

And sploshing is more popular than you might think – as all these delicious ladies now demonstrate. Fancy a guzzle?

10 things you might not know about RUSSIA

CHURCHILL described Russia as "a riddle wrapped in a mystery inside an enigma…"

It is the national equivalent of a very drunk and slightly psychotic man – wise to treat carefully and ideally avoided at all costs.

But Britain has found – to her cost – that Russia and its leader Vladimir Putin (*above*) are bent on destroying the very fabric of our civilisation, as the so-called Russia Report revealed last week.

So perhaps it's an idea to find out a little more about this loathsome bully of a country…

1 THE name 'Russia' comes from the old Norse word 'Rus', meaning 'men who row'. The first 'Russians' were Vikings, who invaded and conquered the original Slavic people.

2 AFTER architect Postnik Yakovlev built St Basil's Cathedral in Moscow, Ivan the Terrible blinded him, so he could never build anything to rival it.

3 THE Russian Emperor Peter the Great put a tax on beards and hanged a rat that chewed one of his toy soldiers.

4 GIVING flowers to residents can be a delicate point of etiquette. You should always make sure you give them in odd numbers, unless going to a funeral, when even numbers are the rule.

5 ALTHOUGH famous drunkards, Russians are only the world's fourth biggest drinkers – according to WHO statistics – behind Belarus, Moldova and Lithuania.

6 THE word 'vodka' derives for the word 'voda', which means 'water'.

7 AVERAGE male life expectancy is 56 – lower than North Korea and Iraq and about what it was in Britain in 1910.

8 WEALTHY folk in Russia hire fake ambulances to beat Moscow's dreadful traffic jams.

9 AN estimated 50% of policemen take bribes.

10 RUSSIAN Empress Catherine the Great did not die while being shagged by a horse, as legend says. She died after having a massive stroke while taking a dump.

Serial perv slid spycam under door

A PERVERT spied on two women inside a hotel room with a high-tech camera he slid under their door.

Robert Privette, 49 (*above*), was caught after one of the women spotted his apparatus.

"He admitted using his camera multiple times during his trips for work all over the country," said officer Timothy Malak.

Asked how many time he had done it, Privette said he couldn't exactly say.

"He could only say 10-plus times over the past year, all over the county," Malak added.

Police collected two cameras, a laptop and two hard drives.

In this case, the two women, aged 27 and 24, spotted the camera while changing in their room at the DoubleTree Resort in Key West, Florida.

The women called cops and Privette, who was in the room next to them, was nicked.

Privette, of Summerville, South Carolina, was arrested on charges of burglary and video voyeurism.

Mammoth is found in ice

HOPES of being able to bring MAMMOTHS back from extinction have risen after an almost-intact corpse of one of the Ice Age beasts emerged from permafrost.

Fragments of a well-preserved skeleton, the skin, feet, soft tissues and possibly even the head of the woolly beast were found washed ashore and in the slit of Arctic Lake Pechenelava-To on the Yamal peninsula in the Russian Arctic.

Potentially there might be remains of several other mammoths – or 'Earth Bulls' as they are called by locals who made the latest discovery.

A team of Yamal-based scientists is flying to the site, to examine the area and retrieve the find which was frozen for tens of thousands of years.

A spokesman said: "Judging by the pics this was a young mammoth."

RUSSIAN HACKERS PUT SPUNK BATH #6 ONTO MY COMPUTER!

EXPLANATION: Graham

Graham blames Putin after wife finds grot on PC

LEADER: Putin and (*below*) Maureen

By SIMON DEAN
simon@sundaysport.co.uk

BY her own admission, Maureen Foster is no great shakes when it comes to using a home computer.

But after watching neighbours enjoying the convenience of having online grocery deliveries, she decided to give it a go.

Her experience in cyberspace was not a happy one, though…

Because after bashing away fruitlessly on husband Graham's PC, she eventually opened a file that contained a download of porn epic *Spunk Bath #6*.

And after watching acts that Maureen had never ever dreamed of – never mind performed in 30 years of marriage – the 56-year-old packed her backs and left.

When Graham came home from his volunteer position as a gymnastics coach, he found *Spunk Bath #6* still playing on the computer and a furious note from poor Maureen explaining her departure.

Filth

Last night Graham explained to *Sunday Sport* that he was wholly innocent of any wrongdoing and blamed the RUSSIANS for planting the filth on his hard drive.

Church volunteer Graham, 57, said: "As if I would allow that sort of filth into our home. I'm disappointed that Maureen could think such a thing of me.

"Why on would I want to watch 18-year-old models with firm, pert breasts and taut, shy bumholes showered with hot spunk erupting from huge, throbbing veiny cocks?

"Why would I want to watch them massaging gooey semen into their smoothly-shaven slits then standing over each other to piss away the accumulated sex mess?

"It's ridiculous!

"The only thing I can think is that Russian hackers, on the orders of sly Vladimir Putin, planted that spunk-orgy smut on my computer in a bid to destabilise Britain.

"I've reported it to my MP."

Last week MPs on the Intelligence Committee published a report that detailed Russian interference in British life.

Graham said: "If there's no mention of *Spunk Bath #6* in the Russia Report, I'd be very surprised indeed."

Banned flasher avoids prison after casino 'terror' threats

A MAN charged with TERRORISM after flashing his privates at a casino has dodged a jail term.

Ken Strauss shot to infamy at last year's World Series of Poker Main Event in Las Vegas when he jumped on a gaming table, exposed his genitals and threw his shoe at a croupier.

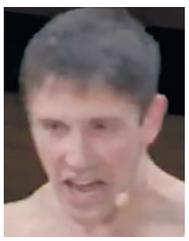
Kicked out of that event, Strauss then made his way to the Luxor hotel and again exhibited bizarre and offensive behaviour atop a craps table.

He then used Twitter to threaten various casinos, including the post: "…all Casinos that have me banned will be destroyed effective immediately."

Cops finally tracked Strauss down to the Trump Tower hotel, arresting him and charging him with conspiracy to make a threat or convey false information concerning an act of terrorism.

Strauss, 46, of Pittsburgh, was sentenced to two years' probation, with a similar length ban on entering Clark County or contacting any Las Vegas casino.

He must also undergo mental health treatment as part of his guilty plea deal.



Circumcision-hating Jew sues Harvard

A MAN who was sacked after stripping naked for a bizarre performance in which he described Jews as "an unmasked genital mutilation cult" is suing his former employers.

Eric Clopper, a former systems administrator at posh Harvard, alleged the Yank university "breached the express and implied employment agreement" with him by accusing him "of having acted improperly and threatening to fire him".

The play was put on by Clopper – who is Jewish himself – at the uni's Sanders Theatre and was aimed at criticising the practice of circumcision.

Clopper is also suing the university newspaper for its reporting of his antics.

He is claiming £400,000 in damages.

OLD FLAME: Ronaldo

UP FOR D-CUP!

Ronaldo Playboy model buys football team

By COLIN HURST
news@sundaysport.co.uk

FOOTIE fans are known for giving their clubs' owners a tough time – but there's a fair old chance supporters will look kindly on this new board member!

A *Playboy* model once linked to Cristiano Ronaldo has bought into a third division Chilean football club.

Influencer Daniella Chavez has invested in Rancagua Sur Sports Club and hopes she can lift them into the top flight.

Chilean Chavez claimed in 2015 she had slept with Ronaldo.

She said: "Cristiano was very shy at first, but when he built up his confidence he was quite a man, though still a bit fearful. He loved me, but the idea was not to show it.

"I just wanted to fulfil a dream and have sex with him."

Whopping

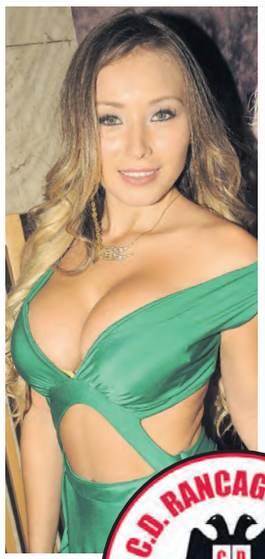
The 34-year-old comes from the Chilean city of Rancagua and boasts a whopping 13 million Instagram followers.

But the 34D stunna took to Twitter to share her football based news.

Chavez has reportedly agreed to invest in the non-league club despite being a fan of local top flight side O'Higgins de Rancagua.

She posted a picture of the club's crest with the message: "I present Rancagua Sur Sports Club from the Third Division A.

"Soon they will go up to the professional league. One more challenge, but a nice challenge because it is a part of my city. We will give it our all."



INFLUENCER: Daniella (*above*) has bought into non-league footie club

After the announcement, Rancagua Sur said they hope the collaboration will be productive, and that they are close to reaching a conclusion that suits all parties.

She wrote: "I can confirm the technical team sees the renewal of former national team player Rodrigo Perez, ex-O'Higgins Fred Gayoso, ex-O'Higgins Beto Gonzales, Jose Gaete.

"And we add O'Higgins legend Joel Molina! Welcome and dream big!"

DEANO ON SUNDAY

It's time to get shot of litter scum

REMEMBER back to the start of UK lockdown when people started talking about nature re-establishing itself, with us humans out of the way.

The air was cleaner, the roads almost silent.

It was noticeable here at Deano Towers, as the stream of lard-faced dullards heading to a beauty spot near us, slowed to a trickle.

You could even walk down the middle of the road outside our house without the risk of being run over by some twat in a souped-up Ford Focus taking his fat-arsed bird to the woods for a fingering.

Well, that's all over.

Up and down Britain, the scum have joined the thousands rushing back into the countryside – and they're making up for lost time, strewing their filth and debris all over the green and pleasant.

Within hours of the most severe lockdown being lifted, pasty, slack-jawed slobs were lighting their stupid disposable barbecues on tinder-dry fields.

They tossed their empty lager tins into streams, shat in fields and generally did their best to turn our spectacular countryside into the litter-strewn, shit-smeared, disease-ridden, crime-plagued slums whence they had slithered.

All because their feeble little minds can't get the message: Take your shit home you filthy bastards!

As Britain's moved from a rural to an urban society, the "countryside" has become a place to visit – like Alton Towers or Blackpool Pleasure Beach.

But it's f**king not.

It's a place where people live and work.

Farmers – you know, the people who feed us all – are hard-pressed enough without dealing with some twats from Wolverhampton burning down their cows.

When you go to Alton Towers or Blackpool Pleasure Beach and drop your hamburger wrapper on the floor, there's a person paid to pick it up.

There isn't at the village green in Little-Wibbling-on-the-Water. Some little old lady does it as she wonders why there's a lilo, a blow up sex doll and a dead devil dog floating in the duck pond.

Now National Trust is pleading with visitors to its beauty spots to take their waste home at the end of their trip, after an "unprecedented rise" in so-called fly-camping.

Fly-camping is a term for people who leave all their equipment – including tents and camping chairs – behind after they leave.

You have to be a special kind of don't-give-a-f**k tosser to leave a TENT behind you after a trip to the hills.

Perhaps the National Trust's plea is too polite.

Maybe what's needed as a warning to the drooling masses that people in the countryside have guns.

And lots of them, too.

SCHOOL MISS GAVE LADS AN A GRADE ...FOR BUM SEX

COUGAR: Mary Eddington is said to 'love it in the ass'

Teens tricked into one-to-one sessions

A RANDY teacher deliberately marked down lads she fancied then offered them extra tuition to help them catch up.

And when she had the boys alone, crafty Mary Eddington gave them dope and encouraged them to bum her…up the arse!

Eddington, once a special education teacher at Cordova High School, Tennessee, has been indicted for sexual battery and statutory rape by an authority figure.

Her attorney says she's not guilty.

The 47-year-old was sacked by Shelby County Schools in May after a months-long investigation, and she was charged earlier this month.

By BRAD CHADWICK
news@sundaysport.co.uk

Now new details have emerged about her alleged antics.

A police report states: "Eddington targeted minors and manoeuvred them into one-to-one remedial classes.

"Once alone with the victims, the suspect offered them marijuana and spoke to them about sexual tastes.

"She then masturbated the victims and encouraged them into having oral, vaginal and anal sex."

The school's assistant principal said that one of the students came voluntarily to talk about rumours of his involvement with Eddington.

Dream

He admitted his relationship with Eddington, saying that it's every boy's dream, and he didn't admit it in the past because he didn't want to get in trouble.

And that same day, Eddington was placed on paid leave and told she was not allowed on school property.

Throughout the police investigation students and other teachers were questioned.

Another student told authorities: "She's a total cougar.

"She flirts with all the younger guys. And she loves it in the ass."

Eddington's attorney, William Massey, said: "She is absolutely not guilty.

"I am surprised at the nature of the charges in the indictment and Mary will certainly plead 'not guilty' to them.

"That plea will not change and we look forward to our day in court with a jury to assess the charges."

Eddington is currently out on bail and will see a judge next month.

Water a bit nippy, Ireland?

IT may be gloriously sunny in California but that sea can be chilly.

And if you need any proof, just look at Ireland Baldwin's jutting raspberries!

Ireland enjoyed a day at the beach with boyfriend Corey Harper in Malibu.

The 24-year-old looked radiant as she displayed her trim frame in a high-cut pink swimsuit with a button design down the chest.

The design pushed together her plunging cleavage while also highlighting her pert rear and long, lithe legs – and her chapel hat pegs, of course.

One onlooker said: "I could hang my wet swimming shorts on those nipples… while enjoying a furious wank, of course!"

Groom chops up bride days before wedding

VICTIM: Marina Pankratova

By VLADIMIR IVANOV
in Moscow

COPS have launched a massive manhunt for a bridegroom suspected of axing to death his bride-to-be – just days before the wedding.

Marina Pankratova, 26, was found nearly naked in a bed with horrific face and head wounds.

She was due to marry Alexander Voronin, 28 – the nephew of a top FSB security service lieutenant-colonel in Moscow.

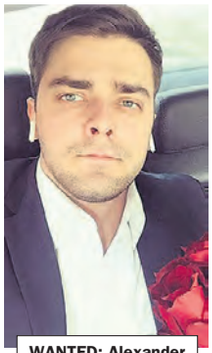
Now police believe he is on the run and have launched a search.

The couple were due to wed in early August, and she recently bought her wedding dress.

Murder

Voronin was seen leaving his flat with a backpack last week, and a murder hunt has been launched.

A neighbour who saw him said he was "silent and reticent".



WANTED: Alexander Voronin is on the run

The bride's face was disfigured and her skull fractured from wounds caused by a small axe.

Her body, covered in bruises, was found by Voronin's mother.

A pistol was also discovered at the scene.

Relatives say the couple had dated a long time after meeting at a store where they both worked.

And friends said they had a "very tender" relationship.

Neighbours have also described them as being quiet, and the news has caused huge shock in the local community.

One neighbour said: "They were a very nice couple – very calm and quiet."

Another local female said: "I am shocked. They were a nice and intelligent couple."

Violence

However, it has been revealed that Marina had recently complained about domestic violence to the police, but later withdrew the claim and agreed to marry Voronin.

Police have confirmed Voronin – who has two young children from previous relationships – is the main suspect.

GUARDIAN ANGELS REALLY DO EXIST!

By GILES FULLER
Phenomenon Expert

EVERY human who walks the Earth has a guardian angel – and our PETS have them, too!

So say scholars of the afterlife, who believe we should all find comfort in the fact there are heavenly figures on hand to support and protect us.

And while it might sound outlandish, many eye-witness accounts – as well as photo evidence – make the argument impossible to ignore.

The Catholic Church is in no doubt as to the existence of angels.

Pope Francis himself once told his global congregation: "The doctrine on angels is not fantasist. No, it's reality.

"How often have we heard, 'I should do this, I should not do this, that's not right, be careful'? So often!

Companion

"It is the voice of our travel companion. Ask yourselves, 'How is my relationship with my guardian angel? Do I listen to him? Do I say good morning to him? Do I ask him to watch over me when I sleep?'

"No-one journeys alone and no-one should think that they are alone."

One person who agrees with this more than most is New Yorker Rose Benvenuto, 79, whose story is one of the most famous of claimed encounters with a guardian angel.

In 1988, Rose swerved her car to avoid a stray dog, smashing into a barrier. Her vehicle was a twisted pile of metal and glass yet Rose, with no recollection of the incident, found herself standing beside it having suffered not so much as a scratch.

When Sharon Boo of the Pawling Fire Department took official photographs of the carnage, a ghostly, angel-like figure was seen hovering near the wreck.

SAVED: Photos back up Rose Benvenuto's claim an angel saved her life

Rose said: "It's a miracle I survived. I have an angel looking over my shoulder."

More recently, and in the UK, Donna Ferguson described how the voice of her guardian angel saved her life after she began haemorrhaging blood following childbirth at a hospital in Lisburn, Co Antrim, in 1998.

Mum-of-five Donna, 49, described her divine intervention: "A voice kept softly telling me, 'Wake up, wake up!'

"It also told me to press the alarm. I wasn't meant to die that night. As the doctor had suggested, it must have been my guardian angel."

INTERVENTION: Donna thanks a spectral voice for keeping her alive

And in 2013, car crash victim Katie Lentz, 27, was left thanking a guardian angel who helped her in her hour of need.

Katie's green Mercedes was reduced to a tangled pile of twisted metal after a drunk driver hit her head-on in a collision in Illinois, US.

Medics worked for an hour to try and free her from the carnage as she drifted in and out of consciousness.

As all hope seemed lost, a mysterious priest suddenly appeared to pray for her. Within minutes Katie was being transported to hospital while the man of the cloth disappeared into the night, leaving cops scratching their heads.

Katie, who suffered a dozen broken bones in her legs and ribs, is convinced someone was watching over her – an old, unseen friend.

Supernatural

Jeremiah See, a stunned member of the New London Fire Department, told reporters: "I think that this time I've actually witnessed a guardian angel at work."

And it's not just people who get supernatural companions – our dogs and cats do, too!

London-based spiritual expert Diana Cooper said: "Dogs have two guardian angels as opposed to the one humans are assigned. I think it's because they need

REAL LIFE X-FILES

VISION: The ghostly image of a guardian angel can be seen in fireman's photo of Rose's wrecked car

'It's a miracle I survived – I have an angel looking over my shoulder...'

more guidance! When you want your dog to come to you, don't scold it if it runs away.

"Instead, try to open your heart and visualise a loving pink light pouring from it. Then it will want to return to you. And if your pet has to be put down, hand its spirit over to the angels and they will look after it."

Internationally known author John Geiger has been investigating the phenomenon for years and believes it remains a great mystery.

He said: "The stories are always similar – that there's a very vivid sense of another being, a presence.

"There is never any fear or panic when this being appears.

Calm

"There is just a sense of calm, peace and a benevolence – a very real sense that there's something good there, something to help you."

CELEBS WHO BELIEVE IN GUARDIAN ANGELS

MADONNA

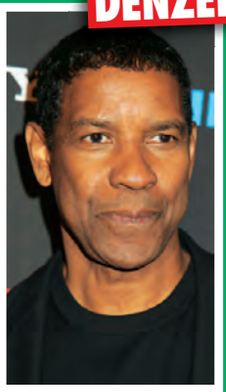
WHEN Madonna, 61, suffered a dramatic fall at the Brit Awards in 2015, she said it was her guardian angels who saved her from a more serious injury than just a badly bruised bottom.

She said: "I have core strength, and I know that saved me. That and my guardian angels.

"I believe that there's the physical world and the metaphysical world and I do believe that they are intertwined – as above, so below.

"So I think both were at work in the protection of me."

DENZEL WASHINGTON



TRAINING Day and *Flight* actor Denzel partly attributes his movie success to angels.

The 65-year-old explained: "When I was younger, I had an encounter with an angel.

"It looked like my sister... but then I saw wings.

"It was as real as you are in front of me now. I walked over to the door and opened it, so some light came in the room. Then it faded away.

"Some people must think that's crazy, but it has worked for me.

"Ever since then I have always felt protected."

JUDY FINNIGAN

TELLY host Judy's close friend Caron Keating died in 2004.

Judy, 72, revealed: "Caron used to say that if an angel was in the same room as you it would leave a big white feather.

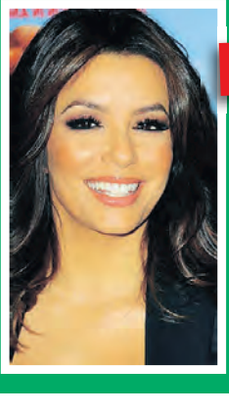
"After she died we all found white feathers.

"About four or five months later I went to visit Caron's grave in Kent. On the drive back I felt a bit empty and looked up through the sun roof and said, 'Go on, Caron, if you're there give us a sign'."

Judy then turned on her radio and on came *You Can Call Me Al* by Paul Simon.

Judy recalls: "The first line to come out of the speaker was, 'He sees angels, angels in the architecture, spinning in infinity'."

EVA LONGORIA



DESPERATE Housewives star Eva, 45, is also convinced she receives help from on high.

She said: "I'm definitely a believer in spirits, especially angels.

"I feel we all have people taking care of us, and whether it's someone you knew in the past or just a guardian angel that God has sent you, I've definitely felt guided in my life by some angels."

Bum's the word for our Gracie!

By WENDY THOMAS
news@sundaysport.co.uk

GORGEOUS Gracie Lewis wants to settle down with a lucky fella – and is saving her BUM cherry for her future hubby.

Firecracker Gracie, 27, from Manchester, will keep that strictly off limits until someone special puts a ring on her finger.

She said: "Yes, it's out of bounds until I'm married, so my future hubby has got that to look forward to.

"When I've settled down with the right person, I'd love to try it."

However, the 30E lovely still has some tricks up her sleeve for the fellas she meets before then.

She added: "Dressing up in something really sexy makes me feel so good – the better I feel, the better the sex is.

"I have this amazing set of black lingerie that drives guys wild every time."

The 21-year-old admitted enjoying a steamy shag on the beach last summer, with a bloke she met on holiday!

Boasting fantastic 34Cs, the Ipswich beauty flew off to Spain for a break and confessed the sexy antics she got up to.

She said: "I met this lad one night in a bar and before long we were all over each other and wanted somewhere more private.

"We were so horny we couldn't make it back to the hotel so we got down to it on the beach.

"It was so hot, knowing someone could see us and catch us in the act.

"I'd definitely do it outside again, it turned me on!"

She added: "Though I don't know if I'll be bother going to Spain this year. Who wants to have sex while wearing a face mask?

"I'm not that kinky!"

LEGENDS OF PORN

PART 116 JULIA ANN

MEGA-MILF Julia Ann was born October 8, 1969, and was raised in Los Angeles, California.

By PENNY MARSHALL
news@sundaysport.co.uk

She has amazing boobs and her ass is famous for the way it jiggles during anal scenes.

That sex goddess body you see is the result of hours spent in the gym every week and a restraint from tempting vices.

Her career in modelling started when she was 18, but her imposing stature brought her a contract as a mud wrestler bikini model in Hollywood.

In the early nineties Julia and her friend Janine Lindemulder put together the Bondage strip act, which was so popular that they toured the country with it.

Soon after, she was offered porn contracts and broke through in this industry with 1999 porn fantasy film *Veronica 2030*, in which she played a sex android.

She is a member of both AVN and XRCO Hall of Fame and in 2015 received the AVN Award for the Hottest MILF.

She is also a fully-trained make-up artist.

PUB TALK

THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks.

Each week in *Sunday Sport* our reporters visit a British boozer and ask babes to spill the beans on their sex lives!

Here we get the lowdown from a pair of saucy stunnas from Croydon in south London...

HANDJOBS

SOLARI: My first handjob was given underneath a bridge near where I live. I'd been drinking cider with my boyfriend. I was feeling horny and adventurous so I initiated things.

Instinct kicked in and I knew what to do but it felt a bit wrong, if I'm honest and after a short while I stopped so he didn't get to climax. I can't see the point in giving handjobs if you get nothing out of it.

NICOLE: I was on my boyfriend's bed one evening and we started kissing and he asked me if I'd wank him off.

I was eager to please him so agreed to have a bash at it. It seemed quite easy and I knew it wasn't going to take long to make him come.

He didn't reach the two minute mark and then shot his load all over the wall which was about three feet away, I couldn't believe how far it went.

BLOWJOBS

SOLARI: I was watching a film with my boyfriend the first time I gave my first blowjob.

We'd been seeing each other quite a while by then and when I realised he had a hard-on I just went for it.

I didn't have a clue what I was doing but I must have been doing it right. He came in about five minutes and it seemed like he was never going to stop coming, I had a mouthful.

NICOLE: I was watching *Top Gear* with my boyfriend the first time I gave a blowjob. I was bored so decided to distract him from the telly by going down on him.

I didn't really know what I was doing and I just did what came naturally. It took no time at all and I swallowed it all as well because it seemed rude to spit.

FIRST TIME

SOLARI: I really enjoyed the first time I had full sex. I was16 and did it with my boyfriend in his house.

We'd been going out long enough and I just knew that he was the one I wanted to do it with. We'd had a day out, went up to his room and it just happened.

He just took control. It lasted about 10 minutes but I loved every second of it, it was gentle and really sensual.

NICOLE: I planned my first time three days before I did it. We were both virgins and were both really keen to lose that label.

We did it in his room when his parents were out shopping and it was absolutely awful. It hurt a lot and we were both really awkward about it.

It lasted all of about three minutes, including his 'foreplay' and him coming almost before he'd put it in. I was gutted I'd waited so long for something so crap.

HUGE WILLIES

SOLARI: A couple of years ago I had a shag buddy and his willy was massive!

I'd never had a big one before and even when his friends joked about him having a big one I never imagined it would be a 10-incher.

I was really excited when I first saw it and wanted to try it out. It was too big when we got down to it though and it hurt a bit, it was so big he couldn't really control it either. Willies can definitely be too big.

NICOLE: My first big one was when I was 18. I was on holiday and had a fling with a guy whose willy was the size of a bloody Christmas cracker!

I admit I was a little bit scared when I saw it because I never thought it would fit in me. It took ages to get it in and it hurt a bit at first but after that it was good.

I must admit I've had better sex with smaller ones though, size really isn't all that important. It's a cliche I know and men don't believe it but it's the all-round sex that counts, especially foreplay.

FANTASIES

SOLARI: I lived out my fantasy a few years ago when I had sex on my boyfriend's car bonnet. It was late at night and we'd been to the cinema. We'd talked about doing it for months but never had the bottle, so that night I told him to pull over in a quiet lane and we just did it.

It was absolutely brilliant sex, we were both really turned on knowing someone might catch us at any moment.

NICOLE: Last year I lived out my fantasy when I pulled my boyfriend into the bogs of a nightclub and started having sex with him. He had no idea I'd planned it and he couldn't believe his luck.

Loads of girls came in and saw us at it but none of them did or said anything – most just laughed and said things like 'go for it, girl'! God I was horny that night!.

> **He had a willy the size of a Christmas cracker! It took ages to get it in but when I did, it was great**

BUM FUN

SOLARI: I gave anal a go when I was as young as 17. My boyfriend really wanted to try it and I was in love with him so agreed to see what it was like.

I wasn't too keen at first, it wasn't very comfortable and just felt a bit strange. It didn't hurt like I thought it would, though.

I've done it since and would do it again, I don't get much out of it, it's just a treat for my boyfriend.

NICOLE: My first experience of anal sex was when I was 18. My boyfriend went on about doing it for ages and in the end he wore me down and I said I'd do it.

I don't want to go into too much detail but it took a long time and ended up being a bit messy.

I've done it a lot since and it's been much better – and it feels really animalistic.

OUTDOOR SEX

SOLARI: The first time I did it in broad daylight outside was in my local park. We'd been out for a lunchtime meal and a drink at a pub on the edge of the country and we were walking home.

We sat for a rest on a bench under some trees and started snogging and next thing I was on my back and we were having sex. I didn't like it that much because it was bloody freezing!

The only good thing was the knowing someone might catch us and that was definitely a turn-on for us.

NICOLE: I didn't do it outside until I was 17,we did it in a field near my boyfriend's house after a night out.

We knew we couldn't have sex at either of our houses because our parents were home so the field seemed the best option.

It was really exciting but the grass made my back really itchy and that kind of spoilt it for me. Doing it in strange places like that is always fun, it spices things up.

DRESSING UP

SOLARI: My boyfriend bought me some naughty peep-hole underwear for my birthday – but it turned into more of a special treat for him!

It was the first time I'd ever worn stuff like that or dressed up to have sex. I liked it, it made me feel really sexy and a bit naughty too.

The foreplay was out of this world and I had an orgasm before we got to have sex. The resulting shag was out of this world, I had a big smile on my face for about a week.

NICOLE: I turned up at my boyfriend's house for his 18th birthday wearing nothing but a big silk red bow under my coat – you know the things, they were popular a few years back – then I told him to unwrap me!

I'd never seen him turned-on! By the time he'd unwrapped me we were both absolutely gagging for it and wasted no time in getting down to having sex. It was great fun and very erotic.

SUNDAY Sport SEXY BACK END!

SECRET OF SUCK-CESS: Tina has risen to the top in porn by going down on film

TELEVISION X HD

IT'S ALL IN A KAY'S WORK FOR TINA!

THERE aren't many Television X stars as recognisable and popular as the stunning Tina Kay.

She's been the star in tons of raunchy TVX flicks including *The Kay Of Reckoning, Pornstars In Their Eyes* and most recently her directorial debut, *Tina Kay's Porn House Vacation*.

We met up with the international superstar to chat about her life as a top pornstar and how much she loves shagging!

HOW DID YOU FIRST GET INTO PORN?

I started off mainstream modelling when I was younger and by my early 20's, I dived straight into adult soft and hardcore.

I've had a very successful decade living my dream life, shagging for a living. At 35, I'm now moving to the next stage as a director.

WHAT MADE YOU WANT TO DIRECT YOUR OWN MOVIES? HOW DID YOU FIND YOUR FIRST TIME?

Tina Kay stands for high quality, classy content mixed up with my hard and nasty action – putting together my two extremes to make you a top new movie.

I've loved working with Harmony Films on this. They've been so much help and we've created something amazing. I can't wait to see my first movie premiere on Television X!

SOME OF OUR FAVOURITE TVX FILMS HAVE COME FROM YOU FILMING WITH AMORT PEART/ SWANK. WHAT DO YOU LIKE SO MUCH HIM?

Oh yes, he is definitely my favourite TVX director I've been working with. He brings such a unique quirkiness and fun to his movies with his British sense of humour!

He also lets us performers show our real characters in our roles, so we can be at our filthiest.

STARING IN AS MANY MOVIES AS YOU HAVE, YOU MUST HAVE MET SO MANY PORN STARS. WHO ARE YOUR FAVOURITES TO SHOOT WITH?

No names, but the ones with no limits! Boys or girls who are open minded, really love to experiment and love sex! Positive energy is so important.

WHAT ARE THE BEST THINGS ABOUT BEING A PORN SUPERSTAR?

It has to be the lifestyle, having the ability to live life on my own terms with complete freedom. I get to travel the world and have sex with some gorgeous people.

It's taken time and courage to get here, but it's all been well worth it.

Call me "Sexy Self-Made!"

WHY DO YOU LOVE SHOOTING WITH TELEVISION X?

It's the best of British! TVX has some great parodies, feature films and reality scenes and they showcase their star talent so well.

I'm so proud to have be on the TVX screens for so many years. I bring a bit of everything with my British style and European, no limits spice.

To see her in the naughtiest scenes on TV subscribe to Television X (Sky 900), call 0871 271 6869 or visit *www.televisionx.com*. Calls cost 13p per min plus your phone company's access charge.

Follow Television X on Twitter and Instagram *@TVXMole*

PICK

TODAY

TOMORROW

***Paramedics: Britain's Lifesavers* – C4, 9pm**

AS the UK enters its fourth week of lockdown, West Midlands Ambulance Service comes to the aid of the staff of care homes, who are feeling forgotten as the virus claims the lives of so many residents – and it falls on crews like Julie and Adam to provide help and reassurance.

Back in the control centre, Irum has had fast-track training and is plunged into the stark realities of her new role, while a national minute's silence for NHS and care workers holds a particular significance for her.

Quick! It's the rapist cannibal killer

***The Confessions of Thomas Quick* – C4, 10pm**

IN a high-security psychiatric clinic sits Thomas Quick, Sweden's most notorious serial killer.

A misfit loner who openly confessed to a range of crimes, including rape, murder and even cannibalism, his story has shocked and haunted the Swedish nation for more than 20 years.

However, new evidence – including testimony from the man himself – has taken this terrifying story in an even more disturbing direction.

With full access to Quick (*right*), Brian Hill's film is a truly chilling documentary that uncovers a dark tale of murder and lies.

OF THE TELLY

By BARNEY SAMUELS

It's brilliant balderdash!

Deep Impact – BBC2, 4.10pm

AN intrepid TV reporter investigating a presidential misdemeanour stumbles on evidence that a comet is on a collision course with Earth, threatening the future of the human race.

Meanwhile, an astronaut prepares to lead his crew on a do-or-die mission to intercept the danger.

Sci-fi drama, starring Robert Duvall, Tea Leoni, Morgan Freeman and Elijah Wood.

It's absolute balderdash but very enjoyable.

Saw it at the pictures and two daft bints in front of me were crying because it scared them – laughed my f**king cock off!

Live and Let Die – ITV, 4.25pm

JAMES Bond's investigation into the murder of three British agents leads him to a connection between the dictator of a Caribbean island and a notorious Harlem drug kingpin – along with a plot to flood America with limitless supplies of free heroin.

Spy adventure, with Roger Moore in his first appearance as 007, alongside Yaphet Kotto and Jane Seymour.

PS: this is the one with the speedboat jump!

A Suitable Boy – BBC1, 9pm

NEW series. In a newly independent India in 1951, passionate literature student Lata Mehra is looking towards her own future as she sets out to make her way in the world.

She is not interested in romance, but her resolve is sorely challenged when she starts to fall for a mysterious fellow student Kabir Durrani.

Meanwhile, religious tensions mount between Muslims and Hindus in the wake of Partition, as India's first national democratic election draws near

This is Andrew Davies' adaptation of Vikram Seth's novel, starring the lovely Tanya Maniktala (left).

TUESDAY

The Rise of the Murdoch Dynasty – BBC2, 9pm

RUPERT Murdoch's involvement in the 2016 U.S. elections and the Brexit referendum, saw the media mogul rising in prominence after a series of scandals and setbacks, from the death of his mother and the collapse of his second marriage to the loss of several important political allies.

This fine programme examines the resolution of the question of Murdoch's successor, and a final multi-billion dollar deal that surprises everyone.

Last in the series.

Joanna Lumley's Unseen Adventures – ITV, 9pm

NEW series. Unseen footage from the actress's series of travelogue programmes, beginning with a look at her journey from Japan to Siberia.

The trip begins on the frozen Japanese sea of Okhotsk, and goes across China and Mongolia before arriving at Lake Baikal in Siberia, where Joanna meets some amazing seals.

The telly companies are getting desperate – screening stuff from the cutting room floor now!

DON'T MISS THIS!!!

Botham: The Legend of '81 – Wednesday, BBC2, 7pm

THIS is a look back at Ian Botham's cricketing career, marking 30 years since the Ashes series that saw the former all-rounder at the peak of his powers.

Botham started the series against Australia in 1981 as England captain, but resigned after a string of poor performances and media criticism. What followed at Headingley, Edgbaston and Old Trafford led to the series becoming remembered as Botham's Ashes.

This programme charts the player's highs and lows on and off the pitch, as well as focusing on his epic fundraising achievements and subsequent broadcasting career.

THIS CAT WANTS A PURR-FE DP TREA

PORN babe Abbie Cat can't wait to restart work... because she's not been DOUBLE PENETRATED this year.

By JAYNE FERGUSON
news@sundaysport.co.uk

The 28-year-old Hungarian has made a slew of X-rated flicks and especially loves ones where she gets a cock up her minge and arse at the same time.

But so far, thanks to lockdown putting the kibosh on filming porn, 2020 has been DP free!

The 32D cracker purred: "Nothing can match the feeling of one rock hard cock in your pussy and another one pumping in your ass.

"I like two men to come inside me, so I have spunk running from my ass and my pussy.

"My pussy and ass ache for cock!"

DELIA: I'D LOVE SOME HANKY SPANKY

By WENDY THOMAS
news@sundaysport.co.uk

DISHY Delia Rose is determined to take erotic inspiration from the *50 Shades* flicks.

So she's after some kinky BONDAGE sex.

Delia, from Cambridge, wants her very own Mr Grey and she's happy to be a submissive between the sheets.

The 32E blonde babe, 27, said: "I know it's been out for a few years but I've only just seen the first film. I've been watching a lot of movies in lockdown.

"I love bondage and I am used to being the dominant one and I like to take charge.

"But sometimes I like the man to be in control and I like being tied up.

"There's just something very sexy about a strong, dominant man.

"Watching *Fifty Shades of Grey* recently was such a turn-on. I think being submissive would also be really exciting.

"I'd love to find my very own Mr Grey who'd give me a good SPANKING!"

SHIONNE'S A SOFTY – BUT HARD ON MEN!

By WENDY THOMAS
news@sundaysport.co.uk

SEXY Shionne Cooper loves to make femdom videos – despite being quite a softy at heart.

The Czech porn star, 33, said: "I'm a pushover in real life but put me in PVC and hand me a whip and suddenly I turn into a proper megabitch – ready to take complete control over men.

"I made a movie in which one fella had to deal with my toilet duties – only number ones, I'm not German.

Thirsty

"He lapped up all my personal moisture like a thirsty little puppy.

"Then I smothered him with my bouncy 40F boobs and made him masturbate in the corner like a little boy while I called him 'sissy' and such like.

"Then I say, 'Lick my pussy, slave,' and he did until my shaved pussy squirted in his face.

"He was drenched. Ha, ha!"

THE WORLD FAMOUS AGONY Page

Dear Ava,

I LOVE having things shoved up my arse, but recently my wife's been pushing the boundaries further than usual.

We have an active sex life and nothing is taboo, but her idea of fun is sometimes a tad painful.

Take the other night. There I was, ready for a good rimming, when she suddenly ran to the freezer.

She returned with a frozen banana and rammed it right up my ring-piece.

I nearly screamed the house down – not because she had shoved something up my ricker, but because the thing had stuck to my tender regions and I was getting ice burns. Do you have any advice for soothing my bum?

TG, North Yorks

Ava says...
I RECOMMEND going to the chemists, not the freezer.

Dear Ava,

I EXERCISE dogs for people who have loads of dosh but who have precious little time to care for their mutts.

Last week I was on the common, where I take the pets for their daily walk, when something really unusual happened.

I had just crested a hill when I came across a bloke wanking off. I was shocked, but at the same time strangely excited.

He stopped and was about to stick his dick away when a sudden urge took hold of me. I tethered the dogs, went over to him, took his cock in my hand and finished him off.

When it was over I suddenly felt very embarrassed, so I collected up the dogs and walked off.

But I'd like to handle his impressive hard-on again. Suggestions?

LF, London

Ava says...
YOU'RE sure to come across him again – and him across you!

SUNDAY Sport SEXY BACK END!

Should I tell my son I'm shagging his girlfriend?

Dear Ava,

I'M a 50-year-old divorcee – my ex-wife dumped me two years ago to live with her toyboy lover.

A few weeks ago I went to see my son but his girlfriend said he was out.

We made small talk for a while but I felt uncomfortable being alone with her – she's a gorgeous, busty redhead and I've always wanted to bone her.

Squeeze

After a cuppa and a catch-up, I got up to leave but she insisted I stay. She went upstairs for a while and came back in the lounge in a see-through blouse and a tiny mini-skirt.

I tried to look away but she plonked herself next to me on the sofa and began rubbing her leg seductively against mine.

Within seconds I developed a hard-on and when she saw it she gave my cock a gentle squeeze, then unzipped me and got on her knees to suck it. Not surprisingly, I shot my load in no time.

Then while she was waiting for me to recover she sat astride me and rubbed her magnificent tits in my face.

This had the desired effect and as my cock stood up again she lowered her panties and eased her wet fanny on it.

This time I was able to control myself and she began to squeal in ecstasy as she rode me.

We went to her bedroom and I screwed her hard and fast in a sweaty sexual frenzy. We spent hours sucking, licking and shagging each other – it had been two years since I last had sex and needed it.

Since then neither of us has said a word about what happened but I now feel ashamed about cheating on my son.

Should I tell him?

MD, Essex

Ava says...

NO – because as they say, it takes two to tango.

Dear Ava,

MY boss's wife is 48, and a really fit blonde with a nice figure. A few weeks ago she threw a surprise party for her hubby and I was invited.

She looked great in a black dress and as the night went on we got flirting and she made it clear she was well up for a sneaky f**k.

We arranged to meet in the bathroom and she wasted no time in getting my dick out and slavering all over it. Then she whipped off her knickers and I took her from behind as she leaned over the sink.

I've seen her a few times since but now wants me to "look after" two of her mates the same way!

They're both in their 50s but not really that attractive. And she said if I don't do them, she'll get me bloody sacked.

What should I do?

DP, Middlesbrough

Ava says...

REFUSE – and say you'll tell her hubby about your affair.

Why on earth have you been pissing in the cups?
It's my new business venture. I film myself pissing in cups and put the videos on my fan site!

I've already made more than enough money to have the upstair's shitpipe unblocked
Great! To celebrate, how about I block your DOWNSTAIRS shitpipe!

Ava says...

SOUNDS like a nice little money spinner!

CAROL'S KINKY FETISH FOR GRAVY!

SUNDAY Sport SEXY BACK END!

By WENDY THOMAS
news@sundaysport.co.uk

CURVY Carol Wayne has quite an unusual confession...

She gets really turned on by eating Kentucky Fried Chicken.

The 29-year-old, from Czech Republic, said she likes to pour the gravy over her 34F boobs and then have her lucky fella lick it all off.

Greasy

She revealed: "It's a weird fetish, I know, but I love the feeling of that greasy gravy sliding down my big boobs.

"When my man licks it off, sometimes I orgasm before he's even put his big penis inside me.

"However, I don't like the chicken very much.

"It's never quite as nice as you think it will be."

AKE AT TOP OF PEP LIST

PEP Guardiola is determined to land Bournemouth defender Nathan Ake.

The centre-back has been earmarked as the man to solve Manchester City's problems at the heart of rearguard.

Leaking goals has cost Pep's lads who were the league's top scorers again despite losing the title to Liverpool.

City are in the driving seat but they face competition from the new champions plus Ake's former club Chelsea and neighbours United. Frank Lampard's side are known to have a buyback clause after selling him to the Cherries but that would only be activated if the player wanted the move.

A bidding war could push his fee towards the £40m mark which City would pay.

LEEDS ED FOR CAV

VETERAN: Cavani

Premier League new boys like look of PSG ace

LEEDS boss Marcelo Bielsa wants to make Edinson Cavani his first signing as a Premier League boss.

By JOHN ANTHONY

The Yorkshire giants have just secured their place in the top flight and are looking for more experience especially in their forward line.

Cavani will become a free agent in the next few days when he leaves Paris St Germain after almost ten years in the French capital.

The sticking point could be his wage demands as he was on around £200,000 per week with the Ligue 1 side.

He knows that sort of money isn't on the table but the draw of working with fellow South American Bielsa could be too much for the Uruguay international to resist.

The only other club thought to be in the running are Benfica but Leeds could match any wages offer made by the Portuguese side.

Cavani has scored 341 goals in 556 appearances in club football plus 50 for Uruguay while winning 116 caps.
